## FACIALS

### Bespoke Facial

Our facials are bespoke & chemical free, yet performance driven with visible results. Your therapist will analyse your facial needs, take into consideration your expectation and prescribe the correct treatment approach for you. Our focus is always on deep pore cleansing, never stretching the pores or scarring the skin in doing so. Gentle in our approach, we know that hydration and effective supplementation are vital in preserving the skin's youthfulness. Never neglecting the sensitive skin under the eyes, dark circles and the importance of working on lifting and plumping up the skin. Preserving the skin and preventing pre-mature aging is our goal during your facial.

## THERAPEUTIC MASSAGES

### Bespoke Intuitive Herbal Oil Massage

You may choose from a range of Africology aromatherapy-infused massage oils, which are warmly applied and massaged deeply onto the body. Your therapist will assist you in choosing the oil best suited for you from one of the following blends: Relaxing, Slimming Detox, Muscle Relaxing and Energising.

### Skin Adoration Wraps

Our pure and natural Hypoxis Body Wrap is formulated with African potato and marula oil, warmly applied to soften, soothe and improve skin hydration while also fighting free radical damage. This herbal blend relaxes you on application, while the rich background sounds of Africa help the mind focus on the holistic experience. Enjoy a traditional foot ritual and deeply relaxing scalp massage while the wrap is melted into the skin. Finally, there is a soothing massage with body-conditioning marula oil, which creates a natural barrier to hold in moisture and improve collagen and elastin, to complete the experience.
